# Echocardiogram Clinic Registration Form - Please Read Carefully

## Registration:

Deadline to receive registration form and payment in full is June 30, 2010, or when all spaces are filled. The cost of the exam will be \$275.00 (Canadian Funds) by the registration deadline or \$325.00 (Canadian Funds) after the registration deadline, if any spaces available, for each dog. Please use a separate form for each dog registered. There will be a charge of \$30.00 for all NSF cheques. Spaces will be filled based on the earliest postmark on each registration received. All registrations received after the deadline or after all spaces are filled will be returned. **Any overpayment will be considered a donation to the Alberta Canine Cardio Clinic. There are no cancellations or refunds unless the clinic is cancelled.**

## Appointments:

Please indicate your top three choices of dates and time of day for the exam to take place. **We will do our best to schedule your appointment as one of your top two choices and every effort will be made to schedule your appointment around breed judging for your breed but we cannot guarantee it.** It is recommended to have an assistant available to take your dog to the scheduled appointment if you are unable to do go yourself due to any unexpected conflicts. Keep in mind that the assistant you choose will be privy to confidential information during your dog's exam.

## ACVIM Registry of Cardiac Health & Orthopedic Foundation for Animals Registries:

You will be given the choice to register your cardiac results with ARCH or OFA. ARCH is a new registry that is restricted to heart testing results submitted electronically (or by form if internet is not available at clinic) by a board certified cardiologist only. The OFA Cardiac Registry is open to heart testing results submitted on a specific form by a licensed veterinarian. You can get more info on ARCH at <http://www.archcertify.org/> and you can get more info on OFA at <http://www.offa.org/>

Please fill out the form below completely for each dog and mail with full payment. Make cheques/money orders payable to **Alberta Canine Cardio Clinic** (please do not send cash in the mail) and send to:

Cindy Thomas, 39 Northey Ave., Red Deer, AB., T4P 1R3 or Karen LeJeune, #339, 300 Ramage Cl., Red Deer, AB., T4P 4A6
